Business Module:

Acceptance criteria of this module:

General Acceptance Criteria:

1. On-Page optimization
2. Page loading within 2 sec
3. The page design, look and feel should look very professional.

The business listing page should look very similar to this, With Livechat , chat-gpt integration, top three listing in this page should be sponsored listing only from that particular listing category.

The screenshot shows the Yelp homepage with a search bar for 'Shopping' in 'Frisco, TX, US'. Below the search bar are filters for Restaurants, Home Services, Auto Services, and More. To the right are links for 'Yelp for Business', 'Write a Review', 'Log In', and 'Sign Up'. The main content is titled 'Top 10 Best Shopping Near Frisco, Texas' and is sorted by 'Recommended'. It lists three shopping centers with their names, ratings, reviews, and descriptions. To the right is a map of the Frisco area with numbered pins (1 through 10) indicating the locations of the listed shopping centers. The map also shows various roads, lakes, and surrounding towns like The Colony, Plano, and McKinney.

Rank	Location	Name	Rating	Reviews	Description
1	Frisco	The Shops at Legacy	4.1	(63 reviews)	Max Cleaners at this location. I love being able to park and walk from shop to shop, and grab a bite to eat or a coffee to stay... more
2	Frisco	The Shops at Starwood	4.8	(6 reviews)	Panache and Belle Haven Interiors at this location. This is a great place to shop. The staffs are very friendly and helpful. more
3	Frisco	Stonebriar Centre	3.7	(207 reviews)	Closed until 11:00 AM tomorrow Stonebriar is still a great mall to do some shopping. Kidzania is also offered here for childcare... more

The backend form should be exactly like yelp backend (add business on yelp) with some basic animation

Make sure you are adding all category and sub category , once module is ready for delivery you need to create 20 proper listing to make the website look ready.
